NATURAL STONE HEATERS

PRODUCT-NO.: 233649

**Natural stone heaters: Cosy warmth delivered with individual charm.**

These natural stone panels not only look stunning, they also give out a very pleasant heat. Thanks to a range of different designs, the natural stone heaters fit perfectly into a wide variety of interior design concepts.

**Every model absolutely natural.**

As every panel is made from natural stone into which only a thin cable is embedded, every heater is unique in colour and structure. Consequently, a natural stone heater lends any bathroom and living room a very special and individual kind of charm.
