

MHS 145 E

NATURAL STONE HEATERS

PRODUCT-NO.: 233658

Natural stone heaters: Cosy warmth delivered with individual charm.

These natural stone panels not only look stunning, they also give out a very pleasant heat. Thanks to a range of different designs, the natural stone heaters fit perfectly into a wide variety of interior design concepts.

Every model absolutely natural.

As every panel is made from natural stone into which only a thin cable is embedded, every heater is unique in colour and structure. Consequently, a natural stone heater lends any bathroom and living room a very special and individual kind of charm.

The main features

SAHARA natural stone heater

Marbled limestone

1,450 W heating output

Ideal as supplementary or booster heater

Portrait or landscape installation is possible

Type	MHS 35 E	MHS 65 E	MHS 85 E
Part no.	233654	233655	233656
Connected load	0.350 kW	0.650 kW	0.850 kW
Depth	70 mm	70 mm	70 mm
Width	600 mm	1000 mm	1000 mm

Technical data

Design	Sahara	Sahara	Sahara
Natural stone	Limestone	Limestone	Limestone
Power supply	1/N ~ 230 V	1/N ~ 230 V	1/N ~ 230 V
Frequency	50/60 Hz	50/60 Hz	50/60 Hz
Rated current	1.5 A	2.8 A	3.7 A
Weight	21 kg	35 kg	44 kg
IP-Rating	IP66	IP66	IP66
Protection class	II	II	II

Type	MHS 115 E	MHS 145 E	MHS 165 E
Part no.	233657	233658	233659
Connected load	1.150 kW	1.450 kW	1.650 kW
Depth	70 mm	70 mm	70 mm
Width	1000 mm	1250 mm	1350 mm

Technical data

Design	Sahara	Sahara	Sahara
Natural stone	Limestone	Limestone	Limestone
Power supply	1/N ~ 230 V	1/N ~ 230 V	1/N ~ 230 V
Frequency	50/60 Hz	50/60 Hz	50/60 Hz
Rated current	5 A	6.3 A	7.2 A
Weight	52 kg	62 kg	70 kg
IP-Rating	IP66	IP66	IP66
Protection class	II	II	II

Installation and commissioning of the equipment is only permitted in connection with external room temperature controllers that fulfil the following functions: Electronic room temperature control with weekday control and adaptive control of when heating starts. These requirements are fulfilled by the STIEBEL ELTRON room temperature controllers RTU-TC and SRC C digital. Failure to observe these requirements will result in a loss of the CE designation.

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
