

CK 20 Trend

RAPID HEATER

PRODUCT-NO.: 234918

This rapid heater generates the required heat directly. It not only saves on space but is also easy to use. One power outlet is all that this electrical appliance needs.

The temperature can be very easily regulated thanks to the convenient positioning of the controls. Furthermore, the appliance only needs a small recess in which to get on with its task.

The main features

Wall mounted rapid heater – ideal as a supplementary heater or interim heater in spring/autumn

Quick room air heating

Maximum safety thanks to three-stage overheating protection

Small footprint

Ideal for the bathroom

Type	CK 20 Trend
Part no.	234918

Wärmeleistung

Rated heating output P _{nom}	2.00 kW
Minimum heating output (standard value) P _{min}	0.00 kW
Maximum continuous heating output P _{max,c}	2.00 kW

Hilfsstromverbrauch

Auxiliary power consumption with rated heating output e _{lmax}	0.00 kW
Auxiliary power consumption with minimum heating output e _{lmin}	0.00 kW
Auxiliary power consumption in standby mode e _{lSB}	0.00 kW

Art der Wärmeleistung/Raumtemperaturkontrolle

Type of heating output/room temperature control: Single stage heating output, no room temperature control	-
Type of heating output/room temperature control: Two or more manually adjustable stages, no room temperature control	-
Type of heating output/room temperature control: Room temperature control with mechanical thermostat	x
Type of heating output/room temperature control: With electronic room temperature control	-
Type of heating output/room temperature control: Electronic room temperature control and time of day control	-
Type of heating output/room temperature control: Electronic room temperature control and day of week control	-

Sonstige Regelungsoptionen

Other control options: Room temperature control with presence detection	-
Other control options: Room temperature control with window open detection	-
Other control options: With remote control option	-
Other control options: With adaptive control of heating startup	-
Other control options: With operating time limitation	-
Other control options: With black bulb sensor	-

Depth including wall mounting bracket
