

IW 120

PRODUCT-NO.: 229339

Make truly flexible use of your heater

Add extra warmth to your everyday life with this quartz radiant heater. The appliance brings your room up to temperature quickly and precisely. You can feel its radiant heat almost as soon as you switch it on.

Don't restrict your heating to just one place

The heater is practical in your bathroom, for example, to give you a nice warm start to the day. And what about when you want to relax on the patio in the evening as the day draws to an end? Here, too, the quartz radiant heater is your ideal companion.

The main features

Infrared quartz radiant heater with 1.2 kW heating output

Pleasant radiant heat for indoors or protected outdoor areas

Choice of three heating stages (0.4/0.8/1.2 kW)
