

# DHE 18/21/24

CONVENIENCE INSTANTANEOUS WATER  
HEATER

PRODUCT-NO.: 202656

**DHE instantaneous water heater – an unfailing guarantee of hot water at exactly the right temperature.**

The fully electronic DHE instantaneous water heater provides hot water at the exact temperature you have set – every time. 4i technology guarantees that any factors which would change the outlet temperature are compensated for. This way you can enjoy a shower in comfort, even when someone is washing their hands at the adjacent washbasin.

**Top quality in operation too.**

Due to the special haptic rotary selector, the appliance is very easy to operate: settings and adjustments are intuitive and take very little time. The set water temperature, ECO level and current power consumption can be seen clearly and concisely on the illuminated multifunction display. Energy consumption, flow rate, time, status and service display can be checked in the lower area.

## The main features

Instantaneous water heater with full electronic control

4i technology for first class DHW convenience: The right temperature, every time

For supplying several draw-off points with DHW

Easy operation via large backlit multifunction display

ECO mode for highly frugal operation

Energy and water consumption indicators for maximum transparency

Individually programmable temperature memory buttons

Comprehensive comfort and safety functions, such as temperature limit, wellness shower program, automated bath filling and childproofing

Type	DHE 18/21/24	DHE 27
Part no.	202656	202657
Rated output	18/21/24 kW	27 kW
Height	466 mm	466 mm
Depth	116 mm	116 mm
Width	225 mm	225 mm

## Technical data

Rated voltage	400 V	400 V
Phases	3/PE	3/PE
Frequency	50/60 Hz	50/- Hz
Rated current	29/31/35 A	39 A
Fuses	32/32/35 A	40 A
Temperature adjustment	Off, 20-60 °C	Off, 20-60 °C
Specific conductivity $\sigma_{15} \leq$	1111 $\mu\text{S}/\text{cm}$	1111 $\mu\text{S}/\text{cm}$
Specific resistance $\rho_{15} \geq$	900 $\Omega \text{ cm}$	900 $\Omega \text{ cm}$
Energy efficiency class	A	A
Colour	white	white
IP-Rating	IP25	IP25
Weight	3,1 kg	3,1 kg

## **Installation information**

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
