

SHW 200 S

FLOOR MOUNTED CYLINDER

PRODUCT-NO.: 182120

Experience the stability of mature technology

It's never too late for hot water convenience. As demonstrated by our floor mounted cylinders, which can be retrofitted to upgrade your home. The thermometer, protective anode and variable cold water inlet pipe facilitate handling.

Powerful and quick to heat up

The powerful floor mounted cylinder supplies several draw-off points with ease and offers extra convenience in the form of the rapid heat-up button. The steel cylinder with special enamel coating shows just how well we harmonise technology and design – a perfect symbiosis for relaxation in your own four walls.
