

SHD 30 S

PRODUCT-NO.: 073059

Enjoy the benefits of DHW reliability

With this appliance, we are offering you a virtually limitless supply of hot water. This is possible, because we have combined the advantages of an instantaneous water heater and a cylinder. High output meets clever cylinder technology. Do you ever need hot water in a hurry? Not a problem: simply press the rapid heat-up button and the stored hot water is heated in no time. For complete everyday flexibility.
