

# WPSB 308 E

## ACCESSORIES

PRODUCT-NO.: 222375

Compact assembly with wall mounting bracket for the heat source system (brine), for quick and straightforward installation. Incorporating the high efficiency brine circuit pump, incl. shut-off valves, brine-resistant 25 litre expansion vessel with wall mounting bracket, pressure gauge, safety valve, drain & fill valve plus insulation shell for the high efficiency brine circuit pump.

### The main features

Quick and straightforward installation

Type	WPSB 308 E
Part no.	222375

### Technical data

Circulation pump type	Stratos PARA 30/1-8 E
Flow rate	2.0 m <sup>3</sup> /h
Max. delivery head	7.00 m
Safety valve	2.50 bar
Expansion vessel	25 l

## **Installation information**

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
