

## WPSF

ACCESSORIES

PRODUCT-NO.: 233307

### The main features

Multifunction brine filling unit

---

Both microbubble separator and filter already integrated

---

Easily removable filter element

---

Preassembled components for source side

---

Microbubble separator and filter already integrated

---

Filter element easy to remove

---

All important components for the source side are pre-assembled

Type	WPSF
Part no.	233307

#### Technical data

Connection, heat source side	G 1 1/4 A
Safety valve response pressure	0.30 MPa
Max. application limit, heat source	40 °C
Min. application limit, heat source	-5 °C
Max. operating pressure	0.60 MPa

## **Installation information**

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
