# FEB 2.0
ACCESSORIES

PRODUCT-NO.: 205018

This programming unit is combined with our central ventilation units and enables convenient control. They set the most important system parameters, such as the air flow rate that is supplied to the rooms. The matrix display with plain text facilitates operation considerably. It is so intuitive that you can operate it without the help of a qualified contractor.

The main features

Convenient operation of the system from the living space

Operating mode can be switched easily via the Touch-Wheel

Type	FEB 2.0
Part no.	205018

Technical data

Rated voltage	5 V
IP rating	IP22
Colour	white
Width	145 mm
Height	96 mm
Depth	31 mm

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
