

STIEBEL HOUSE PS - 2 (EX)

DOMESTIC USE

PRODUCT-NO.: 205132

The main features

Improves water by quality removing contaminants

Durable and porous pleated filter media

Indirectly improves the water flow because of less-clogging and less maintenance needed for sanitary accessories.

Reduces limescale deposit with anti-limescale balls for shining sanitary accessories

Silverlite stone increases the safeness of the whole filter system

Suitable for use with various water sources

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
